

PROJECT MOBILIZATION UPDATE

May 4, 2012

Dear Resident/Business Owner:

The Town of Arlington is pleased to report that construction and site improvements at the Thompson School has commenced as planned. During the past week the Town's contractor, G & R Construction, has been on-site securing and setting up the location for the construction phase.

Work hours will take place between the hours of 7:00 AM and 4:00 PM during weekdays. If warranted, additional work may be schedule on Saturdays or minor holidays at the discretion of Town of Arlington. A police detail will coordinate any parking restrictions, please observe signage that may appear in the area. The contractor superintendent will be on-site to address any questions. Please contact Mike Stavaski with G & R Construction at 617 894 8512.

Major milestones of the project will be available online at arlingtonma.gov/dpwprojects (under Other Projects in Town). These updates are expected to be posted quarterly.

The new school is planned to be completed and open in time for the fall 2013 school year.
